The new board (Carolyn Wayland, Lakimbrea Rivers, Melissa Parr, Joe Gamble, and Beverly Craft) had a quick zoom call to meet each other after the election was announced.

We shared a little about ourselves and our ideas for the neighborhood.

The new Board members were encouraged to read all the documents on our website. We decided to have our first "official" Board meeting in 2 days, May 12, 2021 at Melissa Parr's house.
