Discussion from Members

1. Do we want to keep or sell the two lots owned by the HOA? Could sell and reinvest for further community development.
2. Update on attorney revisions of the by-laws. No answer since Daniel quit and was not present, except they had been submitted.
3. Members would like pictures taken of violations and provided to them, so they know exactly what the issue is.
4. Are we going to collect fines from violators? After third notice the fine goes to collection.

Meeting was adjourned at 3:12PM
